Surface Heavy Equipment Operator

Description

We are seeking a Surface Heavy Equipment Operator to join our team in Clayton, Iowa. The Surface Heavy Equipment Operator will work with our surface mine team in collaboration with the underground mine, aggregate crushing line and sand crushing line to move and extract raw sand and aggregate material. They will perform highly complex and difficult construction activities by operating a variety of heavy equipment. We train our employees to help ensure procedures and work standards are followed, and that those around them clearly understand them. They are required to comply with company, local, state, and federal compliance & safety rules. This is a career position working as a member of a great team with an established company that offers competitive salaries and full benefits!

Primary Responsibilities

- Operate a variety of heavy equipment such as graders, cranes, front-end loaders, excavators and haul trucks
- Conduct routine inspections to identify needed maintenance or repairs prior to operating equipment
- Monitor gauges and other indicators to ensure safe operation
- Operate underground mining equipment in production and support activities
- Maintain records of time worked and materials used
- Ensure procedures and work standards for all tasks are understood, adhered to and complied with at all times. Must watch out for others at all times
- Communicate and coordinate with coworkers and supervisors

Qualifications & Requirements

Must have the ability to:

- Physically operate heavy equipment
- Proficiently speak and write English
- Stand for 6-12 hours on uneven sandy/rocky surfaces and bend or stoop
- Work up to 12-hour shifts
- Climb on and off equipment and ladders
- Work at heights
- Wear a half-mask respirator for up to 12 hours at a time
- Lift 60 to 80 pounds without mechanical assistance
- Work in a team environment

Education & Work Experience

- High school diploma desirable but not required
- Prior heavy equipment operator experience preferred
- Prior mining experience preferred
