Lubrication Technician

Description

We are seeking a Lubrication Technician who will work at our Clayton, IA location. They will inspect and maintain all rolling stock assets and equipment. This person's role is labor intensive and essential to the continued smooth operation of our processes through daily inspections and preventative maintenance. This is a career position working as a member of a great team with an established company that offers excellent salaries and full benefits!

Primary Responsibilities

- Fuel, grease, and service all rolling stock equipment
- Maintain and operate the lube truck, on board fueling systems, and greasing system
- Service and repair rolling stock auto lube systems
- Cleaning and upkeep of fuel island, oil room, and spill kit inventory
- Work cohesively with the mechanics department for reporting oil leaks, bad hoses, lights not working, and fill caps that are missing or bad
- Accurately fill out fueling and pass down reports
- Travel throughout the site to fill and repair rolling stock; this will include traveling underground
- Comply with all DOT, State and Federal, MSHA and company regulations

Qualifications & Requirements

Must have the ability to:

- Physically operate heavy equipment
- Proficiently speak and write English
- Stand for 6-12 hours on uneven sandy/rocky surfaces and bend or stoop
- Work up to 12-hour shifts
- Climb on and off equipment and ladders
- Work at heights
- Wear a half-mask respirator for up to 12 hours at a time
- Lift 60 to 80 pounds without mechanical assistance
- Self-motivate and work with minimal supervision
- Work in damp, dimly lit and confined work areas

Education & Work Experience

- General equipment knowledge and experience fueling or lubing preferred
- High school diploma or equivalent required
- Priority will be given to applicants with previous related experience

Credentials & Licenses Required

- Part 48 MSHA required. Training available onsite
- All Pattison employees must hold a valid Driver's License
