Experienced Electrician

Description

We are looking for an experienced Electrician to work with us to set up and maintain our 120 to 480 3 phase electrical infrastructure throughout our Clayton, Iowa Mine facility. This position involves installing electrical wiring, conduit bending of both EMT and GRC sizes from 1/2" thru 2, troubleshooting malfunctions and blackouts using voltage meters, and 4/20ma generators, ground resistance checks, Infrared camera tests and others. Electricians must be responsible individuals with great attention to safety. We offer company sponsored electrical apprenticeships with ABC of Iowa (Electrical Journeyman Program) for the right candidate!

Primary Responsibilities

- Perform job safety analysis for every task or project being completed and VCR's
- Execute electrical wiring plans
- Install electrical apparatus, fixtures and equipment for various industrial and mining systems
- Install safety and distribution components (e.g. switches, resistors, circuit breaker panels etc.)
- Connect wiring in electrical circuits and networks ensuring compatibility of components
- Prepare and assemble conduits and connect wiring
- Routinely inspect and replace old wiring and insulated cables, clean circuits etc.
- Troubleshoot, identify hazards or malfunctions and repair or substitute damaged equipment
- Read and interpret blueprints and schematics
- Communicate effectively with operation and maintenance personnel
- Comply with all policies, procedures and housekeeping practices

Qualifications & Requirements

Must have the ability to:

- Work up to 12-hour shifts
- Stand for 6-12 hours on uneven sandy/rocky surfaces and bend or stoop
- Climb on and off equipment and ladders
- Lift 60 to 80 pounds without mechanical assistance
- Work at heights
- Demonstrate high safety standards for self and others
- Wear a half-mask respirator for up to 12 hours at a time
- Work in damp, dimly lit, and confined work areas
- Self-motivated and work with minimal supervision
- Proficient speaking and writing English
- Have knowledge of N.E.C

Education & Work Experience

- High school diploma desirable but not required
